English I Academic

Course Description

English I students study all genres of literature and explore the ways audience, purpose, and context shape oral communication, written communication, media, and technology. While emphasis is placed on communicating for purposes of personal expression, students also engage in meaningful communication for expressive, expository, argumentative, and literary purposes. There is a strong concentration on grammar, vocabulary development, writing, and reading comprehension with increasingly complex texts. After successfully completing English I, students take English II.

Prerequisites

Successful completion of 8th grade
