## **Spanish IV Honors**

### **Course Description**

Spanish IV Honors is a continuation of the first three years. Students will continue to sharpen listening, speaking, reading, and writing skills. Throughout the 10 instructional units, students learn to express themselves using increasing vocabulary, present-tense verbs, past-tense verbs, articles, and adjectives. Grammar is introduced and practiced in interesting ways with a variety of learning styles in mind. Culture is integrated throughout the course to help learners focus on the Spanish speaking world, its cultures, people, geographical locations, and histories.

The course is aligned to the national Foreign Language standards and provides a way to focus on the five important aspects of foreign language instruction: communication, culture, connections, comparisons and community. These are the "Five C's of the Foreign Language Education" as outlined in Standards for Foreign Language Learning: Preparing for the 21st Century.

### **Prerequisites**

Successful completion of Spanish I, Spanish II, and Spanish III Honors.
